**Rt Hon Gordon Darcy Lilo,**  
Prime Minister  
Solomon Islands.

Prime Minister,

Attached is the International Press release sent late last month to Regional and International News Agencies.

Many have shown interest due to the alleged involvement of Internationally renown Diplomats, Academics and seasoned Journalists.

Of course with procrastination and blatant disregard of the blight of the people of the Solomon Islands by some of your former prime Ministers is also mentioned in the press release.

This press release follows on from my most previous letter to you , Sir.

Thank you so much.
